

What to do if you see a wild bird that appears in distress

OBSERVE

Adult Bird

- Look for obvious injury
- Is the bird acting tame?

Baby Bird

- Is nest nearby?
- Are siblings nearby?
- Can you see or hear parents around?

SURVEY

- Is the area safe?
- Is the bird in its habitat?
- Are other birds around?

RESPOND

- **IF** bird is in immediate danger
- **IF** bird has obvious serious injury
- **IF** you are not sure
- **IF** you still have concerns
